Spazzles provide greater profit margins than any other school fundraising event ever before. You purchase Spazzles with your school logo, or, we will design a special Spazzle specifically for you. Our pricing is based on quantities ordered as seen below. You then sell Spazzles for our suggested retail price of \$4.95, giving you in most cases up to 200% margins of profit!

Spazzle Unit Pricing

250 to 1,000.....\$2.50 each
1,001 to 5,000.....\$2.40 each
Higher quantities and further price breaks are available

Spazzles are also a great way to express your school pride and spirit. We can design Spazzles for your individual school sports teams, band, clubs or simply your school logo. They are small yet shout loudly school pride. And what you may not sell in your fundraiser event, you can easily sell in your school spirit store!
